SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of personal and commercial lines insurance, announced today the acquisition of Mosaic Insurance of Prescott Valley, providing the second acquisition in the state of Arizona for the company after previous acquisition in Tucson.

Mosaic Insurance was founded by Sandy Merrill in 2010. She grew the agency with a focus on commercial lines and building strong relationships with local contractors in Prescott Valley. Her daughter, Sara focused on growing the personal lines side of Mosaic Insurance. Together both Sandy and Sara managed to build a well-rounded insurance agency with both personal and commercial customers. "It is important that the customers we have worked with for so many years are well taken care of, I firmly believe that Inszone Insurance will take good care of them," said Sandy Merrill.

Mosaic Insurance becomes the second location for Inszone Insurance in Arizona, as the company pursues its growth strategy across the nation. Norm Hudson, CEO of Inszone Insurance, said, "Mosaic becomes a key Acquisition for Inszone, providing additional scale to our Arizona operations as well as our expansion across the country. Additionally, the type of close customer/agent relationship that Sandy built is the same type of relationship Inszone strives to have with every customer."

Inszone Insurance expects to complete a number of important transactions in the upcoming months as it continues to build its national presence.
