March 23, 2023 01:00 PM Eastern Daylight Time

SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a leading provider of benefits, personal and commercial lines insurance, has announced the successful acquisition of The Contractors Insurance Group, an insurance agency focused on contractors, which operates in 31 states and the District of Columbia.

The Contractors Insurance Group was founded in 2019 by Christine Hill and Virginia Barrett, who together possess more than three decades of Property and Casualty Insurance experience. The company has established strong relationships with clients by understanding their unique needs, which has been critical to their success.

Both Christine and Virginia have been active in supporting their local community and the greater community at large. Christine performed with the “Chandler Arizona Symphony Orchestra” during their Holiday Concert series to benefit seniors in need, while Virginia supports “Medical Mission Sisters” in their effort to bring children and youth together to sing and play instruments in the Latidos Music Foundation of Barquisimeto, Venezuela. Inszone Insurance is excited to see this passion for community service thrive under company programs such as Inszone’s Charitable Time Off (CTO).

“Everyone has different insurance needs, and they change and evolve over time. We cultivate relationships and get to know our clients. Building our clients’ trust has been critical to our success,” said Virginia Barrett.

The acquisition of The Contractors Insurance Group strengthens Inszone Insurance’s service offerings in Arizona and expands its state presence. Chris Walters, CEO of Inszone Insurance Services, said, “By bringing The Contractors Insurance Group’s deep knowledge and expertise to the table, we will continue to offer high-quality service to meet clients’ needs.”

With this acquisition, Inszone Insurance Services reaffirms its commitment to providing exceptional service to clients and continues to expand its footprint in the insurance industry.

Founded in 2002 and headquartered in Sacramento, California, Inszone is a full-service insurance brokerage firm which provides a broad array of property & casualty insurance, along with employee benefits solutions. With a strong, experienced management team, Inszone continues to grow organically, as well as through acquisitions.
