SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, announces the acquisition of Beswick Insurance, enhancing Inszone's presence and strengthening its commitment to community-oriented service.

Beswick Insurance has a storied history, beginning with its founding by Bob Beswick in 1947. Teri Anello, the most recent owner, started working at the agency in 1978, purchasing it from Beswick in 1994 upon his retirement. Over the decades, Beswick Insurance has remained deeply connected to the community, growing alongside the town and maintaining its dedication to personalized client service.

Anello, reflecting on the merger, stated, "What initially drew me to Inszone was their professionalism and the extensive range of markets they offer. Despite their larger size, Inszone maintains that small agency feel, ensuring that clients will continue to have a dedicated agent and won't just become a number."

The acquisition of Beswick Insurance provides clients with access to a broader array of insurance markets and products while preserving the personal touch that Beswick Insurance is known for. Inszone Insurance Services' robust support and resources ensure that both the clients and team members of Beswick Insurance will benefit from enhanced service capabilities.

Chris Walters, CEO of Inszone Insurance Services, commented, "We are thrilled to welcome Beswick Insurance into the Inszone family. Teri Anello and her team have built an incredible legacy of service and community involvement, which aligns perfectly with our values. This acquisition is a significant milestone in our expansion strategy."

As Inszone Insurance Services continues to grow, the company looks forward to making further announcements of key acquisitions in the coming months, solidifying its commitment to providing top-tier insurance solutions nationwide.

Founded in 2002 and headquartered in Sacramento, California, Inszone is a full-service insurance brokerage firm that provides a broad array of property & casualty insurance and employee benefits solutions.
