SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, proudly announces its acquisition of Albert C. Simonds & Co. Insurance Services, Inc., a long-standing agency with a rich history in the insurance industry.

Founded in 1969 by Albert Simonds, Simonds & Co. has been a cornerstone of the insurance industry for over five decades. In 1983, Albert's son, Jim Simonds, joined the family business, bringing his expertise and commitment to the agency. After nearly a decade of working alongside his father, Jim purchased the business in 1992, becoming the primary owner and guiding the agency to continued success.

Jim Simonds is a well-respected figure in the insurance industry, with extensive experience in both Employee Benefits and Property & Casualty insurance. After exploring multiple partnership opportunities, Jim and his team ultimately found the perfect fit in Inszone Insurance Services, finding that the culture at Inszone aligned more closely with their values and vision. Jim remarked, "Inszone stands out by far; no one else is doing what they are doing in the same style. Not to mention, so much of the team comes from an acquisition. They really understand it, because they come from the agency world."
