Inszone Insurance Services Enhances Arizona Presence with Acquisition of Evers Insurance, LLC

Share      ...

SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is excited to announce its recent acquisition of Evers Insurance, LLC, located in Cave Creek, Arizona.

Founded in 2011 by Britt Evers, Evers Insurance has built a strong reputation specializing in commercial insurance, particularly in the garage and auto dealer industries. Alongside Britt, Jake Evers contributed to the firm's growth as a generalist in commercial lines. Evers Insurance is recognized for its commitment to delivering personalized, high-quality insurance solutions to businesses throughout Arizona.

The decision to partner with Inszone was driven by Evers Insurance's desire to leverage additional resources and backend support to accelerate growth. "Our agency reached a point where managing back-office operations significantly limited our ability to expand and actively engage with clients," said Britt Evers, founder of Evers Insurance. "We needed a partner that could alleviate those responsibilities and provide us the resources to scale effectively. Inszone offered not only that critical support but also a relationship-driven approach we genuinely appreciated."

"After speaking with multiple potential partners, our conversations with Chris Walters made it clear that Inszone would be the best fit," added Jake Evers. "Their commitment to developing long-term, meaningful relationships and their deep understanding of the challenges we faced distinguished them from other companies."

Chris Walters, CEO of Inszone Insurance Services, welcomed the addition, saying, "We are thrilled to have the talented team at Evers Insurance join Inszone. Their specialization in commercial insurance, particularly within the automotive and garage sectors, strengthens our capabilities significantly. Together, we will continue to deliver exceptional service and expanded insurance solutions to clients in Arizona."

Evers Insurance clients can expect continuity in their existing relationships while benefiting from Inszone's broader market access, enhanced resources, and comprehensive support infrastructure.
