SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly expanding national provider of commercial, personal, and employee benefits insurance, is pleased to announce its acquisition of Huffmaster Insurance based in Monett, Missouri.

Founded in 1990 by Susan and Kevin Huffmaster, Huffmaster Insurance has provided exceptional insurance services across both personal and commercial lines, including home, auto, recreational vehicles, business owners' policies, and agribusiness. For over three decades Huffmaster Insurance has provided comprehensive coverage and exceptional customer service earning them a strong reputation in the community.

The decision to merge with Inszone Insurance was driven primarily by the Huffmasters' retirement plans and their commitment to ensuring their employees and clients continue to receive outstanding service and support. "We chose Inszone because their company culture aligns so closely with ours," said Susan Huffmaster. "It was crucial for us to find a partner who would take care of our employees, maintain the benefits we provided, and support the specialized markets we've become known for. Inszone not only meets but exceeds these expectations."

Since joining Inszone, the integration process has been notably smooth and comfortable. Susan Huffmaster remarked, "The transition felt very familiar, reminding us of our experiences with trusted partners we've worked with over the years. We've been genuinely impressed with everyone at Inszone, and we are

confident that our employees and clients will greatly benefit from this new partnership."

Chris Walters, CEO of Inszone Insurance Services, expressed his enthusiasm about the acquisition: "We are thrilled to welcome Huffmaster Insurance to Inszone. Their extensive experience significantly enhances our market presence in Missouri and The Midwest and strengthens our nationwide offerings. We look forward to building upon Huffmaster's longstanding legacy and continuing to deliver exceptional service to their valued clients."

With this acquisition, Huffmaster Insurance clients will gain access to an expanded array of insurance products, resources, and the robust support structure offered by Inszone Insurance, all while retaining the familiar, personalized service they have come to expect.
