SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, proudly announces its acquisition of Chacon Insurance Service, Inc., a longstanding insurance provider based in Trinidad, Colorado.

Established in 1957 by Carlos Chacon, Chacon Insurance Service has provided exceptional personal and commercial insurance solutions to the Trinidad community for over six decades. Known for their personalized service and deep community ties, Chacon Insurance has become a trusted fixture in the region, consistently serving clients with care and expertise.

The decision to partner with Inszone Insurance came after several years of consideration by Carlos Chacon, who founded and has operated the agency since its inception. "I've been approached by Inszone several times over the years, but it never felt like the right moment," said Chacon. "This time around, I recognized the tremendous value Inszone could bring to our clients and our employees. Their extensive market access and commitment to maintaining our local presence made them the perfect choice."

Chris Walters, CEO of Inszone Insurance Services, expressed excitement about the acquisition: "We are honored to welcome Chacon Insurance Service to the Inszone team. Their longstanding reputation, dedication to customer care, and community roots in Trinidad align with our values. We look forward to continuing and building upon the impressive legacy established by Carlos and his family."

Clients of Chacon Insurance Service can expect continued excellence in service and support, with the additional benefit of expanded insurance offerings and enhanced technological resources from Inszone Insurance Services.
