SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly expanding national provider of commercial, personal, and benefits insurance, is excited to announce the acquisition of McFarland Commercial Insurance Services, Inc., a highly respected agency based in Redding, California.

Founded in 2002 and purchased in 2006 by Dave McFarland, McFarland Commercial Insurance Services has consistently provided specialized commercial insurance solutions with a strong focus on contractors and property referrals. Under Dave's leadership, the agency built an impressive reputation for personalized service, expertise, and trusted client relationships across California.

The decision to partner with Inszone Insurance came as Dave McFarland contemplated retirement. "Since last October I had been considering retirement, but I wanted to ensure a stable and supportive future for my employees," said Dave McFarland. "Having previously spoken with Jennifer Sevilla several years ago, I revisited discussions with Inszone. They quickly stood out by addressing my main concern: maintaining security and opportunities for my staff. Inszone's approach and values made them the obvious choice."

Chris Walters, CEO of Inszone Insurance Services, expressed enthusiasm about the acquisition. "We are honored to welcome McFarland Commercial Insurance Services to Inszone. Dave and his team have cultivated exceptional relationships in the commercial insurance space, particularly with contractors. Their specialized

expertise and dedication to client service will be a welcomed support to our existing offerings and continue to strengthen our presence in Northern California."

Clients of McFarland Commercial Insurance Services can expect continued personalized attention and service, now supported by Inszone's expansive resources, access to additional insurance carriers, and enhanced operational capabilities.
