SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce the acquisition of Stephenson, Baggs & Guthrie, LLC, a respected insurance firm based in Woodward, Oklahoma.

With a strong specialization in commercial insurance, particularly in the critical Oil & Gas industry, combined with extensive expertise in Auto, Home, and a comprehensive Benefits portfolio, Stephenson Insurance Center has established itself as a trusted insurance provider in the Oklahoma community since 2003. The agency proudly expanded its presence with the addition of a second strategic location in Kingfisher, Oklahoma, enhancing its capacity to serve a broader range of clients and industries across the region.

The decision to partner with Inszone Insurance Services came during a planned merger and integration of various agencies within Stephenson Insurance Center. "We weren't initially planning to sell," said Justin Stephenson, owner of Stephenson Insurance Center, "however, after engaging with Inszone, I recognized the value they offered was too significant to pass up. Their commitment to supporting our growth and the resources they bring to our agency made this partnership the ideal choice for our continued success."

Chris Walters, CEO of Inszone Insurance Services, expressed enthusiasm about the acquisition. "We are thrilled to welcome the experienced and dedicated team from Stephenson Insurance Center to Inszone. "This partnership strengthens our

presence in the region and underscores our commitment to growing with quality agencies that prioritize client relationships and industry expertise."

Clients of Stephenson Insurance Center will continue to receive the same exceptional level of service and maintain their current benefits and coverages without disruption. Additionally, clients will now benefit from expanded resources, broader service options, and enhanced support capabilities provided by Inszone Insurance Services, ensuring a seamless transition and continued satisfaction.
