SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, proudly announces its placement as #29 on the Top 100 Property/Casualty Agencies list for 2025.

Originally founded in 2002, Inszone Insurance Services entered a new era of growth and innovation in 2013 when Chris Walters and Norm Hudson purchased the company, revitalizing its vision, operations, and expansion strategy. At the time, Inszone had just 30 employees and a modest regional presence. Under Walters and Hudson's leadership, the company has been strategically transformed into a thriving national agency with over 1,000 dedicated insurance professionals across the country.

"This recognition is a tremendous honor and a testament to the commitment and hard work of our incredible team," said Walters, CEO of Inszone Insurance Services. "When Norm and I purchased Inszone in 2013, we saw an opportunity to build a company rooted in relationships, powered by exceptional talent, and committed to delivering the best solutions for our clients. Our journey from a modest team to becoming one of the nation's top 30 insurance agencies highlights our collective dedication to excellence, innovation, and client satisfaction."

Inszone's consistent growth and national ranking exemplify its strategic vision, strong operational execution, and commitment to continuously expanding its product offerings and geographical footprint to better serve clients across the United States.
