Inszone Insurance Services Expands into Texas with Acquisition of Head Insurance

Share

SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance solutions, is excited to announce its acquisition of Head Insurance, a respected independent insurance agency based in Goldthwaite, Texas. This acquisition marks Inszone's continued expansion into the Texas market, building on its strategy of growth through partnerships with long-standing local agencies.

Founded in 1919 by W.D. "Duke" Clements, the agency has been serving the community for over a century. In the 1940s, G.C. Head partnered with Clements, and the agency became known as Clements & Head. Under the leadership of current owner Chip Head, the agency has continued its tradition of personalized service and strong client relationships while providing comprehensive solutions across personal and commercial lines.

The decision to partner with Inszone Insurance Services was driven by long-term planning. "What drew me to Inszone was the authenticity of my conversations with Chris and the team," said Chip Head, owner of Head Insurance. "They were professional yet personal, and I felt they cared not only about me as a partner but also about my clients and employees. Inszone's genuine approach made this the right fit."

Chris Walters, CEO of Inszone Insurance expressed his excitement for the partnership: "We are proud to welcome Chip and the Head Insurance team to Inszone. With over 100 years of history, deep roots in their community, and a strong focus on client relationships, Head Insurance represents exactly the kind of partner

we seek. This acquisition enhances our presence in Texas while allowing us to build on a legacy of trusted service that spans generations."

With Inszone, clients of Head Insurance will continue to work with the same trusted agents they know and will also benefit from expanded carrier access, advanced tools, and broader insurance solutions.
