SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce its acquisition of Pikes Peak Insurance Agency, located in Falcon, Colorado. This strategic acquisition strengthens Inszone's presence in Colorado and adds a well-established, locally trusted agency to its growing national footprint.

Founded in March 2005 by Chris Wood, Pikes Peak Insurance Agency began as a scratch agency built from the ground up. After working as a captive agent and recognizing the long-term value of renewals and independent agency ownership, Wood made the decision to open his own firm. What started as a challenging early journey quickly grew into a successful, full-service agency known for its strong customer relationships and personalized approach to insurance.

Pikes Peak Insurance Agency provides a broad range of insurance solutions, with a strong emphasis on personal lines and growing expertise in commercial insurance. Over the past two decades, the agency has built a reputation for responsiveness, trust, and dedication to the local community in Falcon and the greater Colorado Springs area.

Chris Wood will continue with Inszone Insurance Services following the acquisition and will remain actively involved in the day-to-day operations of the office. This ensures continuity for clients while providing the agency and its team access to Inszone's expanded resources, carrier relationships, and operational support.

"Chris has built something really special with Pikes Peak Insurance Agency," said Chris Walters, CEO of Inszone Insurance Services. "His entrepreneurial spirit, commitment to clients, and deep roots in the community align perfectly with Inszone's mission. We're excited to welcome Chris and his team and support their continued growth with additional tools, technology, and resources."

Wood shared that partnering with Inszone allows him to focus more on clients and growth while gaining relief from the operational demands of running an independent agency. The partnership provides enhanced back-office support, technology, and market access, positioning the Falcon office for long-term success.

"I spent years building this agency from scratch, and it was one of the hardest but most rewarding things I've ever done," said Wood. "Finding the right partner was critical. Inszone offered the complete package: strong support, respect for how I run my business, and a genuine commitment to growth. I'm excited about what's ahead for our team and our clients."

This acquisition reflects Inszone's continued focus on partnering with quality independent agencies while preserving local leadership and client relationships.
