SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce its further expansion in Texas through the acquisition of Meyer & Rees, Inc., DBA Bierschwale-Rees Insurance, a long-established independent insurance agency based in Fredericksburg, Texas.

Bierschwale-Rees Insurance traces its roots to 1903, making it one of the oldest continuously operating insurance agencies serving Fredericksburg and the surrounding communities. Known for its deep local relationships and longstanding commitment to client service, the agency has been a trusted advisor for generations of families and businesses. In 2006, Todd Willingham acquired the agency, bringing new energy and leadership while honoring the organization's historic legacy.

For Willingham, the decision to join Inszone was driven by a desire to bring stronger technology, broader markets, and more resources to the clients he serves. "With so much changing in the industry it became clear that the right move for my clients and my community was to partner with someone who could bring additional tools and stability into the future," said Todd Willingham, President and Owner of Bierschwale-Rees Insurance. "Inszone offered exactly that. From the very first conversation, I was impressed with how organized, genuine, and supportive everyone at Inszone was."

Bierschwale-Rees has built a strong reputation across both personal and commercial lines, with particular expertise serving the region's thriving tourism

sector. The agency insures restaurants, wineries, art galleries, bed-and-breakfasts, and related businesses, along with a wide range of personal insurance solutions for local residents.

"Todd and his team have earned tremendous respect in their community for the way they serve their clients," said Chris Walters, CEO of Inszone Insurance Services. "Their dedication, experience, and commitment to personal service make them an excellent fit for Inszone. We're honored to welcome them and excited to bring additional resources that will support their continued growth."

The Bierschwale-Rees Insurance team will continue operating from their Fredericksburg office, now backed by the expanded markets, technology, and operational support available through Inszone Insurance Services.
