Inszone Insurance Services Promotes Nathaniel Jackson to Director of IT and Development

Share

SACRAMENTO, Calif.--([BUSINESS WIRE](#))--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce the promotion of Nathaniel Jackson to Director of IT and Development. This promotion reflects Nate's significant impact across the organization and Inszone's continued commitment to investing in the technology and talent that power its growth.

Jackson joined Inszone in October 2022 following the merger with Employers Choice, bringing nearly two decades of experience in the technology industry as an IT specialist and self-taught programmer. Since then, his influence has been felt company-wide, from keeping Inszone's infrastructure running behind the scenes to

shows up with a great attitude no matter what is on his plate. We are excited to see the impact he will have in this new role."

As Director of IT and Development, Jackson will help lead the technology strategy that supports Inszone's rapid expansion, driving innovation across the company's infrastructure, data, and development efforts. His leadership will play a key role as Inszone continues to scale its platform and deliver lasting value to its clients, employees, and the communities it serves.

As Inszone continues to elevate internal talent, the company remains focused on building a stronger, more connected organization, one that supports its clients, empowers its employees, and invests in the future of the insurance workforce.

About Inszone Insurance Services

Founded in 2002 and headquartered in Sacramento, California, Inszone Insurance Services is a full-service insurance brokerage firm offering a wide range of property and casualty, along with employee benefits solutions. Inszone continues to expand organically and through strategic acquisitions, now serving clients through offices in California, Arizona, Arkansas, Colorado, Florida, Georgia, Idaho, Illinois, Indiana, Iowa, Kansas, Kentucky, Michigan, Missouri, Montana, Nebraska, Nevada, New Mexico, Oklahoma, Oregon, Pennsylvania, South Dakota, Texas, Utah, and Washington, with additional expansion planned nationwide.
