SACRAMENTO, Calif.--(BUSINESS WIRE)--Inszone Insurance Services, a rapidly growing national provider of commercial, personal, and benefits insurance, is pleased to announce the appointment of David A. Peabody as Chief Human Resources Officer. Peabody brings more than two decades of experience in human resources, employment law, and executive leadership to the role, as Inszone continues to expand its team across more than two dozen states.

Peabody joined Inszone in 2026 through the company's acquisition of Legacy Partners, where he was a partner and agency president. Since the acquisition, he has served in the field as Vice President for Michigan, working directly alongside Inszone teams to learn the company's culture and operations from the inside before stepping into his new role.

"Coming into Inszone through the acquisition path gave me a firsthand understanding of what our teams experience and what makes this company work," said Peabody. "I'm excited to work alongside Carrie Palmer and the HR team, who have built a strong foundation, and to help build on that success as Inszone continues to grow."

Peabody is an alumnus of the University of Michigan, Western Michigan University's Thomas M. Cooley Law School, and Harvard Business School. He is active in the nonprofit community, having led numerous fundraising campaigns and served on the boards of the American Cancer Society and the Washtenaw Community College Foundation. He also supports mental health initiatives through the Football Alumni of Michigan. He lives in Ann Arbor, Michigan.

As Inszone continues to expand through strategic acquisitions and organic growth, the company remains focused on developing talent from within, supporting the people who join through acquisition, and building a connected organization that serves its clients, empowers its employees, and delivers lasting value to the communities it serves.
